

STUDIOTECH's main business is engineering, distribution/sales, installation and after-sales servicing of broadcast and professional audio/video equipment. The company also designs and installs turnkey projects such as recording/mixing studios, editing suites and mobile OB units.

Vacancy for OBVAN/DSNG Project Manager

Studiotech Belgium is seeking a Systems Engineer, based in our Brussels office, responsible for DSNG and OB van vehicles.

Qualifications:

- At least 10 years' experience as a successful Systems Engineer
- Have a higher education degree in engineering, BAC +5 (university or engineering school) or have significant experience as a Systems Engineer in AV
- Sense of responsibility, able to take initiative, motivated
- Conscientious, dynamic, reliable and punctual
- Flexible and results orientated
- Disciplined, organised and stress resistant
- Autonomous at work whilst having good team spirit
- Bilingual French / English is essential. An intermediate knowledge of Dutch is a plus.

Duties:

- Responsible for operating and developing OB (Outside Broadcast) and DSNG (Digital Satellite News Gathering) vehicles
- Responsible for the design, installation and maintenance of transmission and production vehicles
- Carry out studies before and after the sale of audiovisual solutions
- Select the installation products/components necessary for deployment
- Excellent technical knowledge of audiovisual equipment for the integration of audiovisual systems in the vehicles
- Programming and configuration of audiovisual equipment
- Maintain the vehicles in operational conditions
- Analysing and finding solutions for technical problems encountered by the customers
- Technical support for potential customers, providing advice to facilitate their choice of product
- Technical site visits abroad

Offer:

- Pleasant, dynamic working environment in an open-minded company culture
- Attractive remuneration package commensurate with skills and experience

If your experience matches our challenge please send your CV with a covering letter stating salary expectations to jobs@studiotech.be
